Welcome to Your Next Chapter in Lake Chaparral!

Tucked into one of Calgary's most cherished lake communities, this beautifully cared for 4-bedroom, 4-bathroom detached home offers a perfect blend of space, comfort, and thoughtful design—ideal for growing families or anyone looking to put down roots in a vibrant, community-focused neighbourhood.

From the moment you walk in, you're greeted by a bright and inviting main floor. A flex room/den at the front of the home makes a perfect office, reading nook, or playroom. Just beyond, the open-concept kitchen, dining, and living area is filled with natural light from large windows and features soaring ceilings and a cozy gas fireplace. The kitchen is a standout with a gas stove, convenient access to the backyard, and a massive walk-through pantry that connects to a generous mud/laundry room—conveniently located right off the oversized, heated double detached garage.

Upstairs, your primary retreat awaits. This room is truly spacious, with a walk-in closet, a bright and airy four-piece ensuite, and a soaker tub to unwind in. Two more bedrooms (one with a walk-in closet), a four-piece bathroom, and a large bonus room offer plenty of room for the whole family.

The fully finished basement adds even more

living space with a fourth bedroom, three-piece bathroom, and a large rec room – already set up with a built-in screen and projector wiring. There’s also a dedicated storage/utility room for all the extras.

Step outside to enjoy your private backyard with a deck – perfect for relaxing or entertaining. Just a short walk takes you to Lake Chaparral, where year-round activities like swimming, skating, and community events bring neighbours together. A scenic path down the street leads to a playground and green space, and you’re just minutes from schools, shopping, restaurants, and everything your family needs.

This is more than just a house. It's a place to grow, connect, and create lifelong memories.
