THIS COULD BE YOUR NEXT HOME!!! This is a prime location to build your next dream home with trees already on the lot and it is close to schools. This bare lot is a municipally owned property zoned at IS (Institutional District) but the Town is saying it will be rezoned residential. The responsibility and cost for future servicing will belong to the new property owner. There are so many options here and just waiting for someone to develop it. If you are looking for a place to build in a mature area of town and close to amenities this is something you will want to seriously consider.
