Residential on 0.17 Acres

Agnes Davidson, Lethbridge, Alberta

Tucked away on a quiet cul-de-sac, this 1960s bungalow is steps from the Sugar Bowl, Agnes Davidson School, Lethbridge Polytechnic, and the VisitLethbridge.com Arena (formerly the Enmax Centre). After a Hurricanes game, you'll be warm at home before most fans even leave the parking lot.

Sitting on a large pie-shaped lot with mature trees and a private backyard, this 5-bedroom, 2.5-bathroom home has great bones and plenty of potential. The main floor offers three bedrooms, a bathroom and the primary even has a 2 piece ensuite. The kitchen and dining area open to the backyard deck through French doors. Perfect for summer BBQs and indoor-outdoor living.

The basement features two oversized bedrooms, a massive family room with a wet bar, and a convenient side entrance that opens up possibilities for multigenerational living or future suite potential.

Updates include central A/C (2024) and a roof replacement (2014), giving you peace of mind while you make the space your own. All of this in a dynamite location close to major arteries for quick access across the city, yet peaceful enough to feel tucked away.
