Residential on 0.09 Acres

NONE, Calgary, Alberta

Welcome to the Hogan 4 by Sterling Homes Calgary – a thoughtfully designed home that balances style, comfort, and sustainability. This home offers a side entrance, a modern kitchen with stainless-steel appliances including a gas range, and a walk-through pantry with French-door access. The great room features an electric fireplace framed by full-height tile and large windows that bring in abundant natural light. Luxury vinyl plank flooring extends through the main living areas and wet spaces. The upper-level ensuite includes a tiled shower, and a rear deck provides additional space for relaxing or entertaining. Built Green certified, this energy-efficient home includes triple-pane windows, a high-efficiency furnace, and a solar chase for future solar installation. Blower-door testing and an electric-vehicle charger rough-in contribute to the home's energy-efficient, sustainable design. Smart-home features include a programmable thermostat, Ring doorbell, smart front-door lock, and motion-activated switches, all managed through an Alexa-enabled hub. Photos are representative; finishes and features may vary.
