Discover the potential of this charming 1.89-acre acreage, located just 10 minutes from Stettler with only a mile and a half of gravel road. This property offers the ideal opportunity for those seeking a peaceful country retreat or a place to create their forever home.

The home experienced a fire approximately three years ago, resulting in smoke damage on the main floor. The layout includes two bedrooms, a laundry room, bathroom, and an open-concept living, dining, and kitchen area—offering excellent potential for a modern, functional main floor.

The basement features two additional bedrooms, a spacious family room with a wood stove, and a couple of extra rooms that could serve as an office, storage, or cold room. Outdoors, youâ€™™ll find plenty of privacy with mature trees surrounding the yard, a fenced pasture perfect for a couple of horses, and a newer front deck to relax and enjoy the peaceful country air.
