This one truly has it all! Located right on Highway 2 and just minutes west of Grimshaw, this 9.66-acre oasis offers the perfect blend of comfort, space, and opportunity. With features too numerous to list, this may be the acreage you've been waiting for. The home, while older, has been meticulously maintained over the years, with upgrades including windows, flooring, paint, deck improvements, and a newer furnace. This charming 1½-storey home offers three inviting bedrooms upstairs, while the main floor hosts the primary bedroom, full bathroom, living room, kitchen, and a combined entry/laundry area. The kitchen is a homemaker's dream with lower countertops for easier access and high-quality appliances (only 3 years old). A cozy wood stove adds warmth and character. The property is serviced by the water co-op and also features a large dugout, ideal for watering your extensive gardens and trees. A spacious wrap-around, covered deck on two sides of the home provides the perfect place to enjoy your morning coffee while taking in the beautifully landscaped yard brimming with gardens, mature trees, and vibrant flowers. And that's just the beginning. Outbuildings include a large, heated garage (28' x 36' with 8' doors) with in floor and forced air heat, and an impressive 50' x 60' heated shop with forced-air heat and in floor heat, 14'6" doors, a four-piece bathroom, and its own washer/dryer. Additional structures include a chicken coop, playhouse, large barn (34x30),

woodsheds, and storage shed(43x22)â€”everything you need for hobbies, projects, or for the working family. With generous space for a vegetable garden, fruit trees, flowering shrubs, and endless room to roam, this property is a rare find. This property also has a 16-kW backup generator that can be turned on manually or automatically in the event of a power outage and will run the house, garage and shop so you never have to worry about power outages. On the market for the first time, and sure to attract attention, this acreage will not last long. Call your realtor today to book your private viewing while itâ€™s still available!
